Bender Of Worlds Star Warrior

Bender of Worlds is a great second chapter in Hooke's new Star Warrior series. The Sci-Fi RPG style of this book is something new for the author, but I've really enjoyed both books in the series. This book is also a lot longer than most of Hooke's other works, probably between 2-3 times, so you're getting a lot of content in this one.

The four main types of bending were pretty simple - air, water, earth, and fire. However, there were multiple times throughout the show (and the series' spin-off, Legend of Korra) where especially gifted and talented benders could take their skill one step further and manipulate a variation of their preferred element. One of those instances was the Sandbender Tribes, a group of Earthbenders who ...
