Kubota Backhoe Attachments for sale | eBay

Hi. I've got a small problem with my Kubota L3400. For the past few days I haven't been able to start it. When I turn the ignition, it turns over but won't start. Battery is okay, fully charged and functional. Sorry if this is an easy one, but I don't have the manual (lost forever) and the owner is too cheap to buy a new one. So here I am.
