An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.

With Quia, I find that I have a great tool to engage my students before, during, and after class. For every quiz that I have created, I have created a practice quiz that goes along with it. I find my students using the practice quizzes and posing questions as a preparation for their tests. They really like your website.
