Documentation uidelines for Registered Nurses 5 • Record date and time with each professional contact (to support clear communications is it best to write the date in full by month-day-year (e.g. October 9, 2016 at 2010 hrs. NOT: 10/09/12 at 8:10) or as outlined in your organizational policy.

Documentation Guidelines for Registered Nurses

The importance of proper documentation may also be because it serves multiple and diverse purposes for nurses, for patients, and for the health profession, because current health-care systems require that documentation ensures continuity of care, furnishes legal evidence of the process of care and promotes and facilitates the evaluation of the quality of patient care delivery (Cheevakasemsook et al, 2006).

Importance of Documentation Care in Nursing

The first rule of documentation for any nurse is to know the governing laws in the state of practice, the policies and procedures of the institution of practice, and the guidelines from applicable specialty organizations. It's important to note that when State law and institutional policy are in conflict, state law trumps the institution.

The legalities of nursing documentation : Nursing2020

Documentation is important for quality assurance-the information contained in patient charts is often used to evaluate the quality of service and the appropriateness of care delivered by nurses. Proper documentation also establishes professional accountability, demonstrating a nurse's knowledge and judgment skills, and it can help facilities assess funding and resource management.

MEDICAL ERRORS IN NURSING: PREVENTING DOCUMENTATION ERRORS ...

Download Free Proper Documentation For Nurses

The expert will look at the nursing documentation for clues and evidence that the care rendered wasn't consistent with appropriate nursing care in order to form an expert opinion. If the plaintiff proves all four elements, damages will likely be awarded to compensate the plaintiff for economic losses (medical costs, lost wages) and noneconomic losses (pain and suffering).
