The Polar Bear Explorers Club

The Polar Bear Explorers' Club follows Stella Starflake Pearl, aspiring explorer, as she and three other junior explorers head off on an adventure across the Icelands. This middle-grade novel boasts a whole myriad of magical curiosities: this is by no means an exhaustive list, but it contains unicorns, miniature penguins, yetis, fairies and cabbages (just take my word for that last one).

The Polar Bear Explorers' Club by Alex Bell

The Polar Bear Explorers' Club is her first foray into middle grade. She always wanted to be a writer but had several different back-up plans to ensure she didn't end up in the poor house first. After training as a lawyer, she now works at the Citizens Advice Bureau. Most of her spare time consists of catering to the whims of her Siamese cat.

The Polar Bear Explorers Club Stella Starflake Pearl lives with her explorer father, Felix, alongside her pet polar bear, Gruff, a menagerie of pygmy dinosaurs and her trusty unicorn, Magic. Ever since Stella was a small child, Felix has gone away on expeditions to faraway lands, and returned with fascinating curiosities and incredible tales.

The Polar Bear Explorers Club | Alex Bell - fantasy author

The Polar Bear Explorers' Club is a cute middle grade adventure story. I never really did figure out what the purpose was, but it has some moments of humour and action. There's a lot about the world build that isn't obvious, though, so I found it a bit frustrating. I may check out future installments of this series title.
